

August 5, 2020

CFR Chemicals Inc. is pleased to announce that it has entered into a partnership agreement with UUJO Developments LP (a Doig River First Nation Company). In order to increase our service to customers in Northeastern British Columbia, our partnership will begin working on opportunities immediately. CFR Chemicals Inc.'s reputation for exceptional service, responsiveness and chemical infrastructure coupled with UUJO Developments LP's local relationships and reputation will enable us to enhance service and coverage for both partners. We believe in strong teamwork, financial prudence, building good industry relations and we are committed to supporting and growing First Nation businesses.

CFR Chemicals Inc. is a privately owned, Canadian company based in Calgary, AB providing sales/distribution throughout Alberta, NE British Columbia and Saskatchewan as well as custom blending, chemical storage, rentals and transloading services in the Red Deer County region of central Alberta.
