

## CDG-102

### Environmentally Friendly Degreaser

#### PHYSICAL DESCRIPTION

Appearance	Colourless to pale tan, free-flowing liquid
Freezing Point	0°C
Specific Gravity	1.03 – 1.08
Solubility	Water, Alcohol
Odour	Mild, Antiseptic
pH	11.5 – 12.5

#### PROPERTIES

StaClean™ CDG-102 provides an extremely effective and easy-to-use option to other harsh compounds containing volatile organic solvents, halogenated solvents or inorganic phosphates.

StaClean™ CDG-102 is a perfect choice for chemical cleaning of hydrocarbon foulants such as oils, greases, waxes, gums, tars and coke.

StaClean™ CDG-102 is an all-purpose industrial cleaner/degreaser concentrate, that is designed specifically to quickly penetrate real world dirt, such as oils, grease, pigments, dirt and other everyday soils.

StaClean™ CDG-102 is safe to use on any surface. This unique and carefully chosen blend of synthetic surfactants and detergent builders enables CDG-102 to outperform traditional water soluble solvent cleaners by a magnitude of 8 times when used comparatively.

#### BENEFITS

StaClean™ CDG-102 addresses most of today's safety, transportation and environmental concerns while keeping the product effective. CDG-102 is an ideal choice for industries where personnel safety may be at risk and environmental impact is a concern. CFIA approved for use in food plants.

StaClean™ CDG-102 has low toxicity, is non-flammable and water-based, is not TDG regulated.

StaClean™ CDG-102 does not contain butyls, solvents, NPE or APE compounds, is easy to handle, and free rinses with water.

### Environmentally Friendly Degreaser

#### MIXING & HANDLING INSTRUCTIONS

*\*Refer to CFR Procedure for Cleaning Engine Cooling Systems\**

Can be used in conjunction with Citric Acid to effectively remove corrosion scales and hard water-derived mineral deposits.

Apply solution using a sprayer, sponge, pressure washer or brush. Let stand for 10 - 30 seconds, some agitation may be required. Wipe with a damp cloth or rinse with water. Food contact surfaces are to be rinsed with potable water before reuse. CFIA approved for use in food plants.

#### CAUTION, SHIPPING & HANDLING

Causes skin irritation, Causes serious eye irritation.

Handle with care as with any industrial chemical.

Wash contacted area with large quantities of water.

CDG-102 is available in 20 Liter pails, 205 Liter drums and in bulk.

Safety Data Sheets are available outlining safe handling practices.

Disposal should be in accordance with all applicable federal, provincial, and local environmental regulations and laws.
